Subject : Sabancı University Promotional Program

Istanbul, / / 2001

Dear

..... Director of National Education
Provincial National Education Directorate
.....

Dear,

Sabancı University, with modern educational ideals, hopes to be an international university contributing to Turkey's goal in creating an educated nation. In order to interest our nation's best students, we plan to promote the university by showing them the campus and informing them of the academic programs and scholarship options.

We greatly request your permission to hold promotional talks at the high schools listed on the enclosed form and would be honored to see you at these meetings. We wish you success with your work.

Sincerely,
